protect shared values*

JUST ANNOUNCED:

First Strategy Joint Implementation Work Group (JIWG) Meeting

Wednesday, November 20, 2013

10:00 am to 12:00 pm

Capitol Visitor's Center, Room SVC 215 (new room)

entrance on 1st Street, SE

- The mission of the JIWG is to promote implementation and provide a forum to discuss needs, challenges and progress.
- Members of the public are welcome to attend this meeting to initiate an on-going dialogue around Strategy implementation.
- You must RSVP by November 11 to Davia Palmeri (dpalmeri@fishwildlife.org) to attend.*

NATIONAL *fish, wildlife & plants*
CLIMATE ADAPTATION STRATEGY

The National Fish, Wildlife, and Plants Climate Adaptation Strategy provides a unified approach—reflecting shared principles and science-based practices—for reducing the negative impacts of climate change on fish, wildlife, plants, and the natural systems upon which they depend.

* Seating is limited and available on a first-come-first-served basis (one representative per organization please).
